Still gorgeous at 85 and we're looking forward to another 100 years. 2555 8th Avenue West is now an official City of Seattle Historic Landmark! This will be our 4th annual auction event focused on preserving this architectural treasure. In 2010 we were awarded our second Landmark Challenge Grant from 4Culture for \$25,000. We hope to raise the matching funds needed at this year's auction, and you can help. Phase I of the waterproofing plan is complete after replacing large sections of the original membrane below the tile roofing. Phase II will include further restoration of leaded glass windows and oak doors as well as completing the torch-down and copper flashing that remains unaddressed. Updated and accessible bathrooms are also on our long wish list.

Please help us by attending, donating or volunteering. Our restoration efforts have been strongly endorsed by the Queen Anne Historical Society, the Washington Trust for Historic Preservation, Historic Seattle and the amazing group of neighbors who live nearby.
